

To Whom It May Concern:

Walk Bike Tampa, a 501c(3) non-profit advocacy and education organization, provides this letter to support and endorse Two Wheel Valet, LLC (TWV).

In 2016, Jonathan Weidman joined Walk Bike Tampa (WBT) and assisted our organization with the promotion and execution of our bike valet commitments. Extensive research of bike valets around the county was conducted and validated that TWV provides the premium bike valet experience available. Our members and bike valet guests have been delighted by TWV's paperless check-in system, which is fast, secure, and eliminates the worry of lost vouchers. In 2017, we requested that TWV assume all our bicycle valet duties, which allowed us to preserve our resources for advocacy and education, in particular the implementation of the Hillsborough County MPO Vision Zero initiative.

With confidence, we now refer all requests to TWV. The company has continued building a strong portfolio of Tampa Bay clients and events, and has provided fixed valet proposals to several sports venues at our direction.

Bike theft is a serious problem in our area and theft prevention a key value of bike valet. TWV has never had a bike stolen!

We look forward to working with Two Wheel Valet in the years to come. We support Two Wheel Valet in their mission to make premium bike valet a ubiquitous, consistent, and professionally-run service across the United States.

TWV is a business member of WBT, and has been a great partner in our efforts to make our community a world-class place for bicyclists. The company values our work and our mission.

We are proud to partner with Jonathan Weidman and the TWV team.

Sincerely,

Christine Acosta
