

WABA

WASHINGTON AREA
BICYCLIST ASSOCIATION

September 18, 2018

To whom it may concern,

My name is Greg Billing and I am the Executive Director of the Washington Area Bicyclist Association (WABA). WABA is the regional bicycle advocacy and education organization in the Washington, DC metropolitan region. I offer this letter of reference on behalf of Two Wheel Valet, LLC (TWV).

In 2013, Jonathan Weidman joined WABA as a member and reached out about volunteering for our community bike valet program. At that time, WABA was transitioning away from offering bike valet service as we did not have the staffing resources to operate the program. We encouraged Jonathan to consider starting a venture to offer the bike valet services in the region. He took our advice and began Two Wheel Valet. We began referring requests to him, and he has continued building a strong portfolio of DC events over the last 4 years. This year, we partnered with Two Wheel Valet to offer bike valet at Audi Field for Major League Soccer's DC United home matches. WABA and TWV co-brand the service, and WABA provides Bike Ambassadors to promote biking and provide bike resources.

Two Wheel Valet has allowed us to have a bike valet provider for our region without diverting resources from our advocacy and education mission. Two Wheel Valet has been a business member of WABA for several years, and they have been a great partner in our efforts to make DC region better for biking. Two Wheel Valet strives to provide the best bike valet experience possible. Their check-in system is fast, secure, and straight-forward. On top of offering quality service to valet patrons, Two Wheel Valet offers piece of mind for bicyclists as they have proudly never had a bike stolen.

Two Wheel Valet values our work and our mission, and we are proud to partner with them. We look forward to working with Two Wheel Valet in the years to come. We support Two Wheel Valet in their mission to make bike valet a ubiquitous, consistent, and professionally-run service across the United States. We are happy to share our experience.

Please do not hesitate to reach out if you have any questions.

Sincerely,

Gregory Billing
Executive Director
